

## Somesh Mathur

Fusion

Hindi

Somesh Mathur fondly called Panditji, has devoted his life to the discovery of new vistas in the field of music. An explorer by nature, he has experimented with different genres, creating a few moments of magic in his quest to enlarge the boundaries of conventional music. His mission is - *“to unite the world through music”*.

Somesh has a very classical foundation and performs all around the world singing ghazals as well as light music. He composed an album featuring Asha Bhosle two years back which was very well supported by the media.

He is on board with a few songs in a style that is unique and could become a style statement but with very strong melodies.

On taking the digital route, Somesh says, **“ArtistAloud.com is a concept and an Idea whose time has come. It’s a simple logical deduction of moving ones priorities from television to the Digital platform and that’s where it has to be. ArtistAloud.com is the place to be!”**

Somesh Mathur has been hand picked by ArtistAloud.com to join a group of passionate individuals showcasing music that is close to their heart.
