

## Shibani Kashyap

Alternative Rock

Hindi

Shibani Kashyap, the renowned singer, composer and a performer generates ripples with her performances as she not only creates music but also decorates its interiors with strokes of authenticity and adds life to it. She has a unique style of her own and her energy level is always unbeatable. She has given a variety of songs from “Sajnaa aa Bhi Jaa” to a completely different song like “Zinda Hoon Main” and “Kya Kashmakash Hai Yeh”. She loves to experiment with music and believe to sing in her own way.

With a voice that has a beguiling and rich sensuality, she creates music that focuses on truth, life and beauty, which will touch one's heart and soul. Shibani is a popular and active live performer - be it the college circuit or the corporate circuit, she performed live, rife with energy and entralls crowds of thousands with her power packed performances the world over.

She comes on board ArtistAloud.com with a collection of songs composed by Shibani herself and talented teams of lyricist. The musician's arranger have lent their artistic skill to add to the versatility and musical content of the album.

On going digital, Shibani says, **“Here's an opportunity to express myself in an infinite way relentlessly. This is what I can do and this is what I want to do. So this is what is going to happen very soon , you're going to hear my music on this fantastic site very soon. “ .**

Shibani Kashyap has been hand picked by ArtistAloud.com to join a group of passionate individuals showcasing music that is close to their heart.
